Frequently Asked Questions

The following questions assume Debtor's counsel e-mails a copy of the debtor's DL; SS Card; and has a copy of either the ink signed or electronically signed Voluntary Petition, Declaration of Schedules, Statement of Financial Affairs, and Form 22A in his possession.

1. Is Zoom secure?

ANSWER: As with any computer based product, new users should read and become familiar with the provider's privacy policy. By looking through its privacy policy and some of its support documents, you quickly discover that Zoom allows the host to track participant's attention during calls, shares certain amounts of data it collects with third parties, and has already one security vulnerability. These issues are mitigated with sensible data protection practices. See, https://protonmail.com/blog/zoom-privacy-issues/?utm_source=digg

2. Do I need to sign up for a PRO or BUSINESS account or would your account status as the host dictate the available options to users?

ANSWER: No, as host of the conference, I purchased a pro account to ensure that the full range of utilization is available to any and all participants.
